

Capreol, the northernmost community in the City of Greater Sudbury, is nestled in the green hills at the edge of the Sudbury Basin.

RELAY FOR LIFE

June 6 & 7

Thank You

Thank you Sudburians for helping us make the 4th annual Relay for Life a tremendous success. The funds raised this year brings the total raised for the four years to almost \$1.2 million.

A special thank you to all the volunteers and particularly to the Scotiabank employees who made up over 100 of the volunteers.

You ensured it was an extraordinary experience for all participants and spectators.

Thank-You
 Steve Irwin Chair of Relay for Life
 Community Manager - Scotiabank
